**Re: Ellsworth Industrial Park, Downers Grove, Illinois
Order No. V-W-03-C-751**

Dear Mr. Enwiya:

This letter will confirm that the Participating Parties have selected Brett Heinrich and Bruce White to jointly serve as Co-Project Coordinators under both the AOC and the Three Party Agreement.

We also request that the U.S.EPA further extend the time for the Participating Parties to post financial assurance to and including September 30, 2003. The parties are still in the process of working through the language of their respective letters of credit with their banks. We respectfully suggest that there would be no prejudice allowing this extension as the new deadline would be just after the time that the U.S.EPA has allowed for making the requested language changes to the Three Party Agreement.

Thank you for your cooperation and assistance in considering this request. If you have any questions regarding this designation or extension request, please direct them to Brett Heinrich or me.

Yours truly,

Bruce White
